## Parent/carer questionnaire – November 2019

We value your opinion and so throughout the year we will regularly ask your thoughts about our nursery through different questionnaires/consultations. Therefore please see below the new Ofsted Parent View questionnaire. Since 2015 we have used the Parent View questions each November to support our continuing school improvement. The questions below are slightly different to the ones you will have completed in the past and were used for the first time in September 2019 as Ofsted updated its inspection framework. We would therefore appreciate it, if you could please complete and return the questionnaire to Ms Naughton in the nursery office by **Friday 29<sup>th</sup> November**.

Should you wish to 'formalise' your responses online, please click on the Parent View link on the opening page of our school website. Please tick one box in each row:
