

Friday 1st November 2019

Dear parents/carers,

We have recently started delivering phonics sessions to your children to support them with reading and writing. The way children are now taught to read and write is very different to when we were at school. In order for you to be able to support this at home and to ensure that home and school approaches are consistent we will be holding a short phonics workshop for parents/carers. During the workshop we will explain how we will be teaching your children, share activities with you to support reading and writing, talk about practising sounds and word bags and also resources which you could use at home.

We will be holding two workshops on Wednesday 6th November 2019 at 3.30pm and 5pm. Please indicate on the slip below which session you will be attending. There will be no crèche as the children are invited to attend with you.

We look forward to seeing you there.
