

Feedback from EYFS children about Geography (October 2022)

General questions about Geography

Children from Early Years have feedback on Geography. Some of the questions asked may have been slightly re-worded so they were accessible to children of all ages

What do you do in Geography?

- * We look at the world.
- *We draw maps.
- *We look at different places.
- *We draw mountains and seas.
- *The woods are geography.

What do you like about Geography?

- *I like drawing maps.
- *I love exploring.
- *I like seeing different things from faraway places.
- *Geography is cool because you get to know where places are.

Why is Geography important to learn about?

- *You need to know where places are so you can visit them.
- *You need to know what to do if there is an earthquake.
- *Geography is the world so we have to know about it.

In Spring, you completed some work on 'what are the secrets of the garden?' what can you tell me out?

- *We talked about the weather and that plants need rain and sun to grow.
- *We know that there are lots of different animals in gardens. They live in habitats and some come out at night.
- *Leaves change colour in different seasons.

Subject specific questions about Geography

What Geographical features do you know?

- *Rivers.
- *Mountains.
- *School.
- *Beach.
- *Countries.
- *House.
- *Gardens.
- *The World.

Action to take as a result of Pupil Feedback on Geography

- *To compare geographical features between our country and others to give the children a worldwide view.
- *Make children aware of how we can use geography in everyday life.

Whole School Actions

- *All pupils to learn the SGC definition of geography:

'Geography is the study of places and the relationships between people and their environments.'

- *Within every topic, please ensure you have at least one lesson in the field practicing a geography skill (please see me for any advice).
