

Year 3			
Autumn NB- Autumn Term is 15 weeks, therefore extend Multiplication and Division strand to end of term	Number: Place Value Recognise pv in each digit in HTO Compare and order numbers up to 1,000 Identify represent and estimate umbers up to 1,000	Number: Addition and Subtraction (up to) 3 digit + ones (up to) 3 digit + tens (up to) 3 digit + hundreds (up to) 3 digit - ones (up to) 3 digit - tens (up to) 3 digit - hundreds TO+ TO crossing hundreds TO – TO crossing tens • Column method not required at this point in the year	Number: Multiplication and Division Count in 4s 8s 50s from 0 3x 4x 8x facts Division facts
Include measurement – money Reasoning and problem solving		Include measurement – length Reasoning and problem solving	
Spring	Fractions Find fractions of shapes, amounts Recognise and use fractions as numbers Compare and order fractions Decimal tenths	Geometry Property of 2d and 3d shape Turns Right angles horizontal, vertical, parallel and perpendicular lines	Time Analogue clocks Roman Numerals
Include measurement Reasoning and problem solving		Include measurement – perimeter Reasoning and problem solving	Reasoning and problem solving
Summer	Fractions Add and subtract fractions within 1 whole	Statistics Interpret and present data using bar charts, pictograms, tables	Addition and Subtraction Column method HTO + HTO Column method HTO - HTO
Reasoning and problem solving		Reasoning and problem solving	Multiplication and Division TO X O TO ÷ O
Reasoning and problem solving		Reasoning and problem solving	Time Read and write analogue To the nearest min 12 and 24 hr
Reasoning and problem solving		Reasoning and problem solving	Reasoning and problem solving
