STUDENT AND VOLUNTEERS POLICY

Our school motto

Never settle for less than your best.

Our Vision

Following in the footsteps of Jesus, each member of our community will flourish as resilient, respectful and adaptable individuals prepared for life's journey. Along the way we will encourage and inspire each other to continue growing as beacons of light in our own lives and the wider world.

Our Mission Statement

St. George's Central seeks to provide quality education rooted in the Christian faith, serving the spiritual, moral, and educational needs of the community of which it is part.

Introduction

St. George's Central CE Primary School and Nursery is committed to the development of training, therefore we welcome students and volunteers into the school to gain the valuable experience they need. As part of our commitment we offer placements to students/volunteers including work experience. We believe that volunteers provide a valuable contribution to the school's work, and that they enrich the school through the breadth of their knowledge and experience. We are committed to using volunteers in a way that supports the school's strategic aims and vision, as well as its development plan.

The senior leadership team is responsible for ensuring that any volunteers/students are suitable to work alongside our children. We aim to provide students/volunteers with a placement that contributes to their studies and that provides high quality practice in a school and/or nursery setting.

Aims

The aims of St. George's Central CE Primary School and Nursery Student and Volunteer Policy are to:

- Encourage the wider community to engage with the school, thereby enhancing the curriculum, raising achievement and promoting community cohesion;
- Ensure that volunteers support the school's vision and values, and adhere to our policies;
- Provide staff, volunteers and parents with clear expectations and guidelines;
- Set a clear, fair process for recruiting and managing volunteers

This policy has been developed in line with the Department for Education's statutory safeguarding guidance, Keeping Children Safe in Education

How we may use volunteers

At St. George's Central CE Primary School and Nursery volunteers may be allocated a particular class or group of pupils, under the guidance of the teacher. You may be asked to:

- Hear children read.
- Accompany school visits – this could be 'one-off' support with classes as a 'visitor'.
- Work with individual children.
- Work with small groups of children.
- Support specific curriculum areas, such as Computing or Art.
- Compliment the role of other adults within school/nursery.

Volunteers may be:

- Members of the governing board.
- Parents/carers.
- Former pupils.

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

- Students on work experience.
- Local residents.
- Friends of the school/members of the PTFA.
- Local clergy or members of the congregation.

Members of the governing body working at the school in their capacity as governors (for instance, conducting school monitoring visits or attending meetings), are not covered by this policy. They are covered by our governor code of conduct.

How to apply to volunteer at St. George's Central CE Primary School and Nursery

- First you will need to register your interest through emailing school: enquiries@admin.saintgeorgescentral.wigan.sch.uk
- You will then be asked to complete a volunteer application form (see Appendix 1).

Appointment of volunteers at St. George's Central CE Primary School and Nursery

Volunteers are appointed by Mr M Grogan. Intake of new volunteers can take up to 4 weeks, and is dependent on the candidate and available spaces within the school. All appointments are conditional upon the completion of an enhanced DBS check (if appropriate) and other appropriate safeguarding and recruitment checks, and relevant training. The headteacher reserves the right to terminate a placement at any time. Enhanced DBS checks for volunteers working in the school through other organisations will be conducted by the relevant organisation. The school will ask for written confirmation that enhanced DBS checks have been carried out before a volunteer is allowed to start work at the school.

Safeguarding

'Short term' volunteers (used for one off trips/visits) are required to meet with the trip/visit organiser to ensure they are aware of the expectations required of them. 'Long term' volunteers and students (in school on a regular basis) are required to meet with our Learning Mentor on the first day of starting and take signed copies of the Safeguarding Policy, part 1 of 'Keeping Children Safe in Education' and the Staff Code of Conduct to indicate that they've read and understood them. Safeguarding our pupils is of paramount importance, and our volunteers/students must share our commitment to child protection. To ensure we're upholding our responsibility to keep our pupils safe, we will:

- Conduct enhanced DBS checks on volunteers who:
 - Work one-on-one with pupils unsupervised;
 - Work with groups of pupils unsupervised;
 - Supervise or accompany groups of pupils on overnight residential visits.
- Consider the results of any DBS checks that return with unspent and spent listed convictions, and assess these on a case-by-case basis, with regard given to the nature of the conviction and the nature of the work the volunteer will be involved in;
- Provide safeguarding training to all volunteers/students **prior** to them beginning work at the school;
- Require volunteers to agree and adhere to the following school policies:
 - Safeguarding.
 - Use of mobile phones.
 - Acceptable Use.
 - Online safety.
 - Behaviour and Relationships.
- Ensure that volunteers without an enhanced DBS check are always supervised, and are never left alone with pupils;
- Conduct a risk assessment to determine whether a volunteer who is not working in regulated activity needs an enhanced DBS check. The risk assessment will consider:
 - The nature of the work they will be doing;
 - What we know about them;
 - References from employers or other voluntary roles;
 - Whether the role is eligible for an enhanced DBS check.
- DBS certificates from another organisation are accepted so long as they have been processed within 3 years of the date of volunteering;
- Volunteers will be added to our Single Central Record by Mrs Smith, our School Business Manager.

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Induction and training

All volunteers/students will be subject to an induction period to familiarise them with the way that the nursery operates and to help them understand their roles and responsibilities. Time will be spent discussing policies and procedures including information about emergency evacuation procedures, safeguarding, child protection, the provider's equality policy, and health and safety issues. We co-operate with tutors in order to help students fulfil the requirements of their course of study.

Confidentiality

Information about pupils, parents and staff is confidential. Volunteers are not permitted to discuss issues related to pupils, parents or staff with those outside of the organisation. If volunteers have concerns, they should raise these with the appropriate member of staff. They shouldn't discuss them with pupils or parents/carers. This doesn't prevent volunteers from adhering to the school's safeguarding policy (with regard to reporting safeguarding concerns or disclosures). If concerns relate to safeguarding, volunteers must follow the guidance in our Child Protection and Safeguarding Policy, and inform the designated safeguarding lead. If concerns are related to whistle-blowing, volunteers must follow the guidance in our Whistle-Blowing Policy.

Conduct of Students and Volunteers

Students and Volunteers must comply with the Staff Code of Conduct (Appendix 2).

Please also refer to The Quick Guide for Students and Volunteers (Appendix 3).

Insurance

The school's insurance policy does cover volunteers in the event of an accident or emergency. If a volunteer is working at the school through another organisation, we will also check that organisation's insurance arrangements.

Data protection and record keeping

Our GDPR Policy notice for volunteers explains what information we collect about volunteers and why we collect it. We will retain records relating to volunteers for six months.

The role of the Governing Body

The Governing Body is responsible for ensuring that:

- There is a current policy in place to support students and volunteers and that this is followed and
- Sufficient time and resources are devoted to ensuring that the school supports students and volunteers as required.

The role of the Headteacher

It is the Headteacher's duty to ensure that:

- Appropriate staffing and resources are made available to meet the aims and objectives of this policy and
- Any volunteers/students are suitable to work alongside our children.

Monitoring and review

This policy will be reviewed regularly with any updates requiring full governing body approval.

STAFF CODE OF CONDUCT

Our school motto

Never settle for less than your best.

Our Vision

Following in the footsteps of Jesus, each member of our community will flourish as resilient, respectful and adaptable individuals prepared for life's journey. Along the way we will encourage and inspire each other to continue growing as beacons of light in our own lives and the wider world.

Our Mission Statement

St. George's Central seeks to provide quality education rooted in the Christian faith, serving the spiritual, moral, and educational needs of the community of which it is part.

Introduction

The Governing Body and staff at St. George's Central CE Primary School and Nursery are committed to maintaining high standards of conduct in all areas of their activities. This relies on staff observing these standards when carrying out their duties and in doing so promoting and maintaining public confidence and trust in the work of the school. This document is not a prescriptive guide to what staff should and should not do. It highlights the principal areas where staff need to be aware of their responsibilities when working in the school and provides a framework for expected/acceptable behaviour.

In addition to this policy, all staff employed under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

This code of conduct is not exhaustive and cannot provide advice on all situations. Therefore, if staff are unsure of the right thing to do, they must ask the Headteacher or a senior member of school staff for advice. If this is not possible, staff are expected to exercise their professional judgement and act in the best interests of the pupils/students and the school. Staff are required to comply with the Code of Conduct as it will help them to understand and comply with the high standards of conduct the school expects, failure to do so may result in disciplinary action, which could include dismissal.

Responsibilities

As part of the code, **staff** are expected to:

- familiarise themselves with the contents of the code and act in line with the principles set out in it;
- act honestly and with dignity and treat others with respect;
- attend work and be able to carry out their duties safely and effectively;
- ensure their conduct does not discriminate against others;
- understand and apply the school's rules, policies and procedures and act in line with its vision and values;
- follow reasonable management instructions, procedures and regulations; and
- be committed to delivering quality services, competently, and with due care.

The **school** also has a responsibility to help ensure that staff:

- are clear about what is expected of them;
- have a safe and healthy working environment;
- have a work environment that is free from discrimination, harassment or bullying as covered by the Dignity at Work policy;
- are offered relevant development opportunities;
- have the opportunity to choose to be accompanied by a trade union representative or colleague, in appropriate circumstances, as determined by school policy;
- are treated fairly, with respect and dignity

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Purpose and Scope

A Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe, and the school should notify staff of this code and the expectations therein. School staff are role models and are in a unique position of influence and must adhere to behaviour that sets a good example to all the pupils within the school. As a member of the school community, each staff has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours. This applies equally to the school day and occasions where staff are representing the school, for example during:

- School trips;
- Residential activities;
- Parent/Teacher events and/or
- Any staff training or CPD.

This Code of Conduct applies to:

- all staff who are employed by the school, including the Headteacher;
- all volunteers who are in school on a regular basis or are part of a long term agreement with the SLT;
- all staff in bases that are attached to/managed by school.

The Code of Conduct does not apply to:

- peripatetic staff who are centrally employed by the LA;
- school meals staff employed by Metrofresh Catering or by an external contractor;
- staff of external contractors and providers of services (e.g. contract cleaners). (Such staff are covered by the relevant Code of Conduct of their employing body)

Setting an example

All staff who work in the school are expected to be role models and set examples of behaviour and conduct which can be copied by pupils. Staff must avoid using inappropriate or offensive language at all times.

All staff must demonstrate high standards of conduct in order to encourage our pupils to do the same, including adhering to the school's dress code. Adults should model correct use of spoken English in order to reinforce accurate grammatical principles that are taught in English lessons, for example – correct use of 'was' and 'were'.

All staff should arrive in school in good time to begin their contracted hours.

All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct. This Code helps all staff to understand what behaviour is and is not acceptable. All staff must ensure that they do not use any phrases or references to gender or other stereotypes. Any personal opinions that may be seen as negative towards the school, or any personal political views that could cause offence should not be shared with others when representing the school.

Safeguarding pupils

In line with the 'Keeping Children Safe in Education' legislation and the school's Safeguarding policy, all staff have a responsibility to create a learning environment that is safe, secure, and respected. Staff have a duty to safeguard pupils from harm, protect their welfare and report any concerns relating to physical, emotional, and sexual abuse or neglect. In a position of trust and influence, staff must make sure they do not act in a way that may put pupils at risk of harm or lead others to question our actions. Staff must take reasonable care of pupils under their supervision with the aim of ensuring their safety and welfare.

The duty to safeguard pupils includes the duty to report concerns about a pupil to the school's Designated Safeguarding Lead (DSL) for Child Protection. At school, the DSL is Mr Mark Grogan (Headteacher). In his absence please see Ms Sue Critchley (Pastoral Mentor). The school Early Years DSL is Mrs Sarah Davies.

At our Lancaster Avenue Nursery, the Early Years DSL is Miss Sally-Anne Cowley and the Deputy Early Years DSL is Mrs Rebecca Helme. The Safeguarding Governor is Mrs Fiona Taylor. Staff must take reasonable care of pupils under their supervision with the aim of ensuring their safety and welfare.

Whilst staff must treat information in a discreet and confidential manner and seek advice if in doubt, they should never promise confidentiality to a pupil. Staff should be aware of the procedure if a pupil discloses a potential safeguarding issue to them, in accordance with the school's Safeguarding policy.

If staff have concerns about a member of staff's actions or intent that could lead to a pupil being put at risk of harm, they must report this in line with the Whistleblowing policy immediately. Staff can obtain copies of the Safeguarding and Whistleblowing policies from the school office.

'Never settle for less than your best'

Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Security and Identification badges

Staff must only use their ID for official purposes and they must not give it to anyone else. They must ensure it is visibly displayed at all times whilst on school premises and when on other schools or external premises. Staff are encouraged to question anyone on school premises who is not displaying either an ID or a visitor's badge. If staff lose their ID they must report it to the School Business Manager (Mrs Nicky Smith) and they will need to pay for a replacement. Staff who leave the employment of the school are required to return their ID and any other school equipment they may have.

Relationships with pupils

One of the strongest factors in learning relates back to the relationship staff have with pupils. Establishing positive relationships is both important and valuable in the classroom. It is important that staff always maintain professional boundaries and consider whether actions are warranted, proportionate, safe, and necessary. Staff must ensure that they act in a fair and transparent way, treat all pupils as individuals and not show favouritism to anyone. Staff must only contact pupils via the school's established mechanisms.

In a position of trust, staff must not develop personal or sexual relationships with pupils; this includes sexual remarks and discussing your own sexual relationships with, or in the presence of pupils. Under the Sexual Offences Act 2003, it is an offence for a person aged 18 or over to have a sexual relationship with a child under the age of 18 where that person is in a position of trust or respect to that child, even if the relationship is consensual.

Pupil Development

Staff must:

- comply with school policies and procedures that support the well-being and development of pupils.
- co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils.
- follow reasonable instructions that support the development of pupils.
- approach pupil interactions with a positive attitude.

Relationships with parents/carers

Staff must inform a member of the Senior Leadership Team of any relationship with a parent where this extends beyond the usual parent professional relationship.

Relationships with colleagues

At St. George's Central CE Primary School and Nursery, staff strive to create and maintain a happy, healthy, and engaged workforce. We want staff to work as a team, express their views courteously and respectfully and in an open way. Staff are encouraged to develop effective working relationships with each other displaying appropriate behaviour, whilst treating each other with fairness, dignity, and respect. Staff must ensure that Dignity at Work procedures are followed to ensure all colleagues feel respected and valued. Staff are responsible for reporting situations to the Senior Leadership Team regarding relationships with pupils, parents, colleagues, governing boards, or anyone connected to the school community which may give rise to concern.

Honesty and Integrity

Staff must maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept, or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to the Whistleblowing procedure. Staff should become familiar with the school's financial regulations and ensure that any significant gifts from pupils, parents, carers, suppliers, contractors or associates of the school are declared and recorded appropriately. This is with the exception of 'one off' token gifts from pupils or parents. Personal gifts from individual members of staff to pupils are inappropriate and could be misinterpreted (*This does not include 'whole class' gifts, for example: at Christmas or at the end of the school year*).

Disciplinary action may be taken if staff are found to have committed fraud against the school, any local authority or national agency. Serious cases of fraud or corruption represent gross misconduct and could lead to dismissal.

Staff must also ensure that all information given to the school in relation to qualifications and professional experience is true and correct.

Criminal actions

School staff must inform the Headteacher (Governing Body if the staff is the Headteacher) immediately if they are subject to a criminal conviction, caution, ban, police enquiry, investigation or pending prosecution. The Headteacher or Governing Body will discuss this with the staff in the context of their role and responsibilities in order to help safeguard children and other staff at the school.

'Never settle for less than your best'

Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Probity of records and other documents

The deliberate falsification of documents is not acceptable. Where a member of staff falsifies records or other documents, including those held electronically, this will be regarded as a serious disciplinary matter.

Declaration of interest

Staff are required to identify and disclose any actual or potential personal, financial, business interest or close personal relationship which might reasonably be perceived as a conflict with the ethos of the school. If staff are unsure whether an interest or personal relationship should be declared, they should consult with a member of the Senior Leadership Team. Staff can do this with the support of a Trade Union Representative. Failure to disclose is a breach of trust and may result in disciplinary action being taken which could potentially lead to dismissal. All declarations should be submitted in writing to the Headteacher for inclusion on the school's Register of Business Interests.

Financial interests

For the purposes of this policy, a financial conflict is one where there is, or appears to be, opportunity for financial gain, financial gain for close relatives or friends, or where it may be reasonable for a third party to take the view that financial benefits may affect an individual's actions.

The term financial interest means anything of monetary value including, but not limited to, payments for services, equity interests, intellectual property rights or hospitality and gifts.

Non –financial interests

Non-financial interests can also come into conflict, or be perceived to come into conflict, with an individual's obligations or commitments to the school. These interests may include any benefit or advantage including, but not limited to, direct or indirect enhancement of an individual's career or gain for immediate family or someone with whom the individual has a close relationship.

Examples of situations that could give rise to non-financial conflicts of interests include:

- Pressure or temptation to accept gifts, inducements, or hospitality.
- Participating in the appointment, hiring, promotion, supervision, or evaluation of a person with whom the individual has a close personal relationship.
- Where a member of staff has or develops a close personal relationship with a colleague.

Membership to a trade union or staff representative group does not need to be declared.

Attendance

Creating and maintaining a healthy and productive workforce is a key priority for our school. As a school, we are committed to supporting all staff through the sickness management process ensuring fairness and consistency alongside a range of health and wellbeing initiatives.

Staff are expected to attend work in line with your contract of employment and associated terms and conditions and follow the school's absence reporting procedure in the Sickness Management policy when they are absent from work due to illness or injury. If staff have a routine medical or dental appointment, we ask that this is arranged outside of working hours or during holidays where possible. Please refer to the school's Leave of Absence policy if time off is needed for any other reason than personal illness.

Health, Safety and Welfare

Staff must adhere to the school's Health and Safety policy, procedure and guidance and must ensure that they take every action to keep themselves and everyone in the school environment safe and well. This includes taking immediate safety action in a potentially harmful situation (either on or off-site) by complying with statutory and school guidelines and collaborating with colleagues, agencies, the school and if required, the local authority.

All staff have a duty to take reasonable care for their own Health, Safety and Welfare and those of colleagues and pupils whilst at the school or whilst involved in school activities.

All staff have a responsibility to understand the administering medication policy and be aware of the potential triggers, signs and symptoms of common medical conditions as well as knowing what to do in an emergency. Our Health & Safety Designated Lead is Mrs N Smith (SBM)

Conduct outside of work

Staff must not engage in outside work which could seriously damage the reputation and standing of the school or the staff's own reputation or the reputation of other members of the school community.

In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable.

'Never settle for less than your best'

Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Staff must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute.

Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school nor be to a level which may contravene the working time regulations or affect an individual's work performance.

Social media and online safety

As a school, we recognise the continuing popularity of social media and the participation in such sites in a personal capacity. There are many benefits of social media, but there are also potential risks that cannot be ignored, and the Social Media Policy has been developed with the aim of protecting the school and staff.

Personal social media accounts should not be available to pupils. If staff have a personal profile on social networking sites, it is advisable that they do not use their full name, as pupils may be able to find them. Using a first and a middle name, setting profiles to private and adopting the highest security settings on any personal profiles are all ways to ensure that privacy is maintained.

Staff must not share their own or request a pupil's personal contact details, including home address, mobile number, or email address, unless in exceptional circumstances agreed in advance with the Headteacher. This also encompasses attempts to contact pupils or their parents on social networking sites, or any other means outside of school including any effort to search for pupils or parent's social media profiles.

Any contact with pupils should take place within appropriate professional boundaries, be transparent and for professional reasons. Staff must also ensure not to post any images of any pupils online without consent.

Use of school property, facilities and equipment

Staff must only use school property, facilities and equipment for the school's business unless they have their line manager's permission.

Staff may make phone calls or print personal documents, within reason and within their own time, but they are required to reimburse the school for the cost. Printing costs can be verified by the School Business Manager.

When staff leave the school's employment, they must return any property belonging to the school. This may include, but is not limited to, security and identity cards, door fobs, lap-top, mobile phones or items of uniform.

The school has the right to monitor school e-mails, phone calls, internet activity or document production, principally in order to avoid offensive or nuisance material and to protect systems from viruses.

Staff dress code

An effective member of staff will dress appropriately as a professional to model the expectations we have of our pupils.

Respect in the school community begins with appearance and staff should strive to be a positive role model for each pupil. Pupils will tend to model the behaviour and appearance they see in the classroom.

Making a good impression upon parents and carers will help foster a productive relationship to help the pupils excel in the classroom. Staff are expected to dress in smart, professional attire, promoting our drive for excellence.

- Formal suit.
- Smart trousers.
- Smart shirt and tie.

'Never settle for less than your best'

Clothing (PE lessons/sports activities)

All staff are required to wear a St. George's Central staff PE kit which may include the following: St. George's Central jacket, St. George's Central hoodie/long sleeve t-shirt, St. George's Central navy t-shirt with dark tracksuit trousers and trainers (knee length dark blue/black shorts may be worn during summer months when weather is warm). Staff can wear this clothing for the whole day when it is their PE lesson 'day', regardless of the time the lesson is conducted. Staff supporting PE lesson should at least change their footwear (into trainers) for the lesson.

Information and support

If staff are concerned about anything they see in school that they believe conflicts with the code of conduct or any other school policy, they must raise it with the Headteacher or a member of the Senior Leadership Team. In addition, they can also contact their HR or Trade Union representative for further advice and guidance.

The school's policies provide staff with advice and guidance that needed to further support them in their role. It is important that they read and understand these policies. The code of conduct references some school policies; however, these are not exhaustive, and copies of all policies can be obtained from the school office via the Employment Handbook on the Hub.

Only authorised staff have the right to, 'touch' pupils, for example: to move them or prevent them from injuring themselves or others. You do NOT have this authorisation.
7. Report any issues of Health & Safety around school to the Health & Safety Officer, Mrs Smith. Please note in case of fire, please accompany the class you are allocated to the fire assembly points which are at the bottom of the playground near to the field at the back of school where class registers will be taken. Please seek help from a member of staff with regards to First Aid issues.
